

TOMMY'S DAY

Today it's Tommy's first day of school. He is ten years old. He gets up at seven o'clock and gets dressed.

He is very happy today. He goes to the kitchen and has breakfast with his mother. He always has milk and biscuits.

After breakfast he brushes his teeth and combs his hair.

Then he puts his book in his new schoolbag. He gets on the bus and goes to school.

When he arrives at school at nine o'clock the teacher is waiting for the children. They have lunch in the school canteen at twelve o'clock. There are five hours of English in a week. The science lesson is on Tuesdays.

Tom has a music lesson on Mondays, from eleven o'clock to twelve o'clock. He goes home at four o'clock in the afternoon and he does his homework. The school year is from September to June. Children attend Primary school from 5 to 11 years of age. They usually wear a uniform.

Schools are open from Monday to Friday, from nine o'clock to half past three. There is a break of 20 minutes in the morning and a second break in the afternoon.
